

Prince William Trails and Streams Coalition Adopt A Trail 2023 Summary

The Prince William Trails and Streams Coalition (PWTSC) Adopt-A-Trail (AAT) program had another productive year in 2023. The AAT program links citizen volunteers to their public lands and trails to minimize litter and unsafe trail conditions while encouraging citizen stewardship of our public spaces and positive use of our trail system.

Further information about the program and how to get involved is available at the PWTSC website at <http://www.pwtsc.org/adopt-a-trail-2/>. After completing at least one year with the program, your Adopt-A-Trail group or individual will receive a metal “Adopt-A-Trail” sign that will be installed at your trail showing the group’s or individual’s name.
